

## Design freedom

Ready for your customization, SweetSpot is available in leather, vinyl and fabric, in a variety of colors.

Four ways SweetSpot is more comfortable:

- extra-thick seat cushion
- slightly higher seat than conventional lounge furniture
- superior gas lift mechanism that compresses upon sitting
- comfortable angled back, between active and relaxed posture

## We're here to help you make life at work better

### Perspective

Supporting the evolution of the workplace since 1888.

### Products

Solutions that stand the test of time — built to last and inherently flexible.

### People

Dedicated to delivering innovative solutions with care and expertise.

design: Judith Daur

## Sophisticated comfort

SweetSpot is the perfect blend of attractive design and intelligent ergonomics. This comfortable guest and lounge chair is ideal for creative exchanges, a spot for concentration or contemplation, and for welcoming visitors in style.

With its outscrolled armrest wings and fully upholstered one-piece shell, this is a sweet spot to sit.

---

### delight users

SweetSpot's angled seat is designed to cradle and support the body comfortably for extended periods.
